AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Amendment is NOT responsive to the Office Action mailed April 22, 2004 in connection with the above-identified patent application.

However, applicant requests leave to amend the application by inclusion of the following claim of priority. This priority claim was included in the Combined Declaration and Power of Attorney dispatched to the U.S. Patent and Trademark Office on March 8, 2002, but was inadvertently not included in the Preliminary Amendment mailed on November 14, 2002.

It is requested that an updated filing receipt be issued showing the proper claim of priority.
